

I made it and started out by making random lines and solving the problems. i will try to make a monkey somehow but if i cannot i will make a jungle or so because monkeys are my favorite primate. I assume I will fail the mokey plan and go with a crappy jungle there is no hope. my hands are like one of those wacky inflatable arm flailing tube men.

$$y=1/1X+16$$

$$y=1/1X+16$$

$$y=1/1X+2$$

$$y=1/1X+2$$

$$y=1/1X+9$$

$$y=1/1X+2$$

$$y=1/1X-9$$

$$y=1/1X-6$$

$$y=1/1X-19$$

$$y=1/1X-13$$
